

Wine, Women & Law

Join us IN PERSON for a conversation with women in wine and our first MIXER in years!

Sarah Quider

Alexis Kent

Judy Jordan

Our dynamic speakers will share about their unique positions as women pioneers in the wine industry. Hear about a variety of issues dealt with as in-house counsel for wine companies; legal changes affecting the industry; various ways to break in to jobs in the wine industry; the glass ceiling and ways these amazing pioneers are bringing young women into agriculture.
